BOOK SYNOPSIS

A NEW YORK TIMES and USA TODAY BESTSELLER! Read the book that launched the wildly popular Caught Up in Love contemporary romance series by #1 NYT Bestselling Author Lauren Blakely! A second chance at first love... Five years ago, Kat Harper fell into a dizzying summer romance with her brothers best friend Bryan. It was a mad, crazy love full of kisses all through the night -- but he broke her heart and she had to move on. Five years later, Kat is finishing her graduate degree and building her business as a jewelry designer, when Bryan, head of his own successful company, walks back into her life. Bryan has been assigned to Kat as her new business mentor and the rules are clear. No hanky panky permitted. Kat can handle that because shes totally over him... right? Except, he still makes her laugh, and he remembers all the things she likes. Not to mention that hes even more handsome now than he was then. Then theres the spark between them -- the simply undeniable chemistry, and the tender ways he shows he still cares for her. Can they resist each other the second time around or will first love trump all? **CAUGHT UP IN US is the first novel in the New York Times & USA Today Bestselling CAUGHT UP IN LOVE series. Each book can be read as a standalone, though you will likely enjoy the other books in the series.** THE CAUGHT UP IN LOVE SERIES: BOOK 1: CAUGHT UP IN US (Bryan & Kats story) BOOK 2: PRETENDING HES MINE (Reeve & Suttons story) BOOK 3: TROPHY HUSBAND (Chris & McKennas story) BOOK 4: STARS IN THEIR EYES (William & Jess story)
