BOOK SYNOPSIS

Angelique is busy with her multi-million dollar consulting gig at Mandingo Records. Meanwhile, the hip hop label's biggest star, Vertigo is occupied in a battle with another man for Angelique's affection. Although she is nothing like the video vixens he's used to dating, he finds himself drawn to her natural beauty. Outsiders are convinced that Vertigo and Angelique would be more of an odd couple than a power couple, but he isn't concerned about what haters think and he makes it his mission to make Angelique his queen. Just as they are starting to get close, Vertigo is confronted with a dark piece of his past from the South Bronx neighborhood he left behind years ago. Soon, Vertigo is facing jail time and Angelique's own secrets come to light. People say that love conquers all, but when you add jealousy and lust, it's impossible to predict what will happen next. In the second installment of the Ms. Mogul Series the drama is mirrors a hit reality show.
