ReMixology is a celebration of time-honored cocktails, the fascinating evolution of their formulas, and the inspiration they provide today's craft bartenders. This book serves as a re-introduction to ten iconic potions, from the Manhattan to the Whiskey Sour, to the Old Fashioned to the Bloody Mary and more, and explores their progression and development in cocktail culture, and showcases a range of innovative and original, yet accessible interpretations that open the door to new possibilities in drinking and entertaining. Recipes will include: Manhattan Nouveau Bellini Savoy Champagne Cocktail Jamaican Coffee The Green Mary And More Each section will introduce a standard cocktail, offer details and insights about its genealogy, then follow with more than a dozen adaptations and variations gathered from the vintage cocktail era and from the expertise of working bartenders in progressive cocktail programs. Palate perspectives will be explored in lively headnotes, guiding the reader along the sensorial journey of 250 distinctive drinks, adapted to the home bar.
