BOOK SYNOPSIS

"Every Georgian dish is a poem."--Alexander Pushkin "If youve got Georgia on your mind, then The Georgian Feast is required reading. This superbly written book is part ethnography, part geography, and part cookbook. Ms. Goldstein describes the rugged topography and turbulent history of this region that was once a crossroad of trade between Asia and Europe. These cultural influences, along with a healthy variety of food-producing environments, have led to a rich native cuisine."--Anthony Dias Blue
